MVHS is a CLOSED campus.

This means that once students arrive on campus, they are to remain on campus until the end of their scheduled day or until the school has received appropriate authorization to release the student. This also means that visitors to MVHS must check in with the main office to receive authorization to enter our campus. A student may leave campus only with parent/guardian consent, and the student must sign out through the attendance office.

What to do if you, or someone in your house, is sick.
