Thank You Teachers & Nurses!

These past few years our School Nurse, **Christy Rittenhouse** and her health care team, **Jennifer Tolf**, **Mary Maue** and **Amanda Green**, have gone above and beyond to ensure that our students and staff are safe and healthy. From COVID-19 testing to our health and safety protocols, our nurses continue to provide a critical service for our students, staff, and families. Help us say say "Thank You" to this amazing team during National Nurses Week.

When we remember individuals who have helped us, **teachers** are often at the top of the list. Teachers shine a light ahead to places that students can't yet see: a place where students find their unique talents and use them. National Teacher Week recognizes dedicated educators across the country. Thank you for all you do.

Attention Seniors

Did you receive a scholarship from a college or university? Did you receive a scholarship from an outside organization? We want to recognize these scholarships in the Graduation Program. Please complete this [2022 SENIOR SCHOLARSHIP SURVEY](#) by 6/12 and include all of your scholarships earned.
