MONTHLY WELLNESS TIPS From your MVHS Counseling Team

March Issue #4

The start of a new month is a great time to slow down, check in with yourself, and pause to take in everything around you. This month we are encouraging you to have a Mindful March. Practicing mindfulness brings you to the present moment and allows you to pay attention to things you may otherwise be too busy to notice. Mindfulness can also help reduce stress and anxiety.

Here are some ways that you can practice mindfulness this March:

- 5 Senses Mindfulness Technique: Name 5 things you see, 4 things you hear, 3 things you feel/touch, 2 things you smell, 1 thing you taste.
- Notice your breathing; Take the time to take three deep breaths at different intervals throughout the day.
- Name your feelings without judgement-- simply notice them.
- Bring to mind people you love and care about and take the time to let them know
- -Eat/drink mindfully-- take in the smells, textures, and tastes
